Neighbor Awareness Form

Homeowner _____ Property Address _____

Signing this form does not denote approval of the plans.

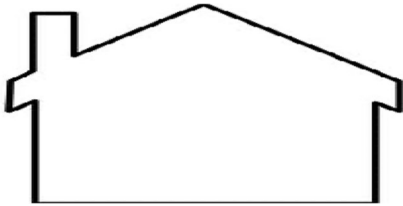

The intent is to advise your neighbors who own property in the immediate vicinity of your property, of your improvement plans. If your neighbor behind you isn't impacted by your improvement, you do not need to get their signature of awareness.

Neighbors must sign this form and may add their comments in the space provided below.

Each neighbor must ALSO initial each set of plot plans / professional drawings.

Advise your neighbor that he/she may independently submit comments to the management company. A neighbor's objection to the plans will not necessarily cause Committee denial of the plans if the plans comply with the Community Design Guidelines.

Final decision is made by the Committee.
